For more information about the scholarship awards, go to:

[http://www.fundacion.lacaixa.es/becas/convocatoria\\_es.html](http://www.fundacion.lacaixa.es/becas/convocatoria_es.html)

## Integrants Scholarships for the USA and Canada

# INTEGRANTS

International Training in Enterprises Grants  
2006-2008

Prácticas en empresas de EE.UU. y Canadá  
para graduados españoles

**This is a program run by the Spanish Ministry of Education, Social Policy and Sport to enable university graduates to do internships in companies in the United States and Canada.** It consists of 250 scholarships nationwide lasting from six months to a year and is open to graduates of public or private Spanish universities who would like to do an internship at a company in the United States or Canada.

For more information, go to: <http://www.integrants.es/>

## FARO GLOBAL Scholarships

The FARO Global Scholarships program promotes the mobility of final year students from all Spanish universities through quality internships at companies in Europe, Asia, the United States and Canada. The goal of the program is to help students find professional employment by enhancing their skills, aptitudes and attitudes.

The scholarships are awarded continuously over the lifetime of the program which will finish with the return of the last intern on 31 December 2010. A scholarship lasts seven months on average.

## Euroeditions

Scholarships awarded by the **European Foundation for the Information Society and Electronic Administration**. The deadline for handing in projects is September.

Euroeditions seeks to publicise creative projects, research work and authors that make an intellectual contribution in the social, cultural, technical, economic or scientific fields in order to enhance European society.

Requirements and the registration form are available on the Internet at:

<http://www.euroeditions.org/>

## 20 scholarships for internships in European architecture studios

Every year the **Architects' Savings Bank Foundation** awards 20 scholarships for internships in European architecture studios.

**Candidates:** architecture students and recently qualified architects.

**Approximate annual amount:** €7,000 (in Spain) and €9,000 (abroad)

**Participation:**

Academic Record Option: evaluated by project module and course marks.

**More information:** [www.arquia.es/becas](http://www.arquia.es/becas)

## Argo Scholarships for internships in European companies

**Applied Scientific Research and Technology Foundation** is inviting applications for its 850 **Argo Scholarships**, which have been awarded since 2007 and will continue to be available until 2009.

An Argo Scholarship provides the chance to do a six-month **internship** at a European company. This grant is open to graduates of any Spanish public or private university. The project is funded by the Spanish Ministry of Education, Social Policy and Sport as part of the Leonardo da Vinci mobility program.

## Asia-Pacific Scholarships

The **ICO Foundation** is inviting applications until **15 March** for scholarships for graduates to spend time in countries in **Asia and the Pacific**. The goal of this scholarship program is to improve the chosen candidates' Mandarin Chinese language skills.

The general program consists of a theoretical and practical course which combines language immersion with in-depth analysis of economic and business aspects of Chinese society. However, there is a choice of three kinds of scholarship: immersion in Chinese culture, language and economics, and summer programs.

The grant is essentially aimed at graduates in Business Administration, Economics, Law, International Trade and Telecommunications Engineering.

The Foundation has set up a section on its [website](#) which sets out the academic conditions, applicant requirements and the selection process along with other useful information.

## Carolina Foundation Education Program:

The Carolina Foundation Education Program seeks to help university graduates pursue further studies and enable postgraduates, teachers, researchers, artists and professionals from Latin America to specialise and update their knowledge.

The Carolina Foundation offers three kinds of educational scholarships: postgraduate, doctoral and short-term post-doctoral fellowships, and lifelong learning grants. The latter is open to both Latin Americans and Spaniards.

A total of 1,719 scholarships and grants were offered by the Foundation's Education Program in 2008–2009.

**For more information, go to:**

<http://www.fundacioncarolina.es/FundacionCarolina/>

## ICEX Scholarships:

These are scholarship programs which provide the opportunity to gain a sound theoretical education in international trade combined with specialist practical training in the Ministry of Industry, Tourism and Trade's Foreign and Regional Network offices, in Spanish companies which operate abroad and in international institutions.
